

The Jack Kent Cooke Young Scholars (JKC) program is offering scholarships to select 7<sup>th</sup> graders. The program provides exceptional 7<sup>th</sup> grade students with individualized educational guidance and educational services, which could include, tutors, summer programs, on-line classes, computers, and possible tuition support through their high school years and into college.

The Young Scholars program is highly competitive and attracts outstanding applications from the United States. Specific criteria for consideration are:

- Current 7<sup>th</sup> grade students
- Strong academic record, awards/honors, teacher recommendation
- Financial need
- Motivation, Leadership
- An appreciation for the arts, music, literature, or similar fields

The application (there is no cost to apply) has a deadline of April 26, 2010 and can be downloaded from their site:
