SCIENCE OLYMPIAD

The Clark Science Olympiad attended the Indiana University Northwest Regional Tournament this past Saturday. Elliot Failor and Daniel Flora performed with "laser focus" in the Optics category, taking second place medals in the event. Owen Graber and Freddy Leonard took 6th in the "Write it, Do it" category out of 22 teams. The MVP of the night was Harper Ruffner, running from building to building to fill in categories that we needed a team member for. Congratulations to the whole team for a great season!

GIRLS BASKETBALL

The 8th grade girls basketball team defeated Ben Franklin this weekend, 21-9. They were led in scoring by Addison Osika and Allison Yott. Hadleigh Smith and Addison Usher led the team in rebounds. Peyton Silvas was the catalyst for a strong team defensive effort. The next game is tomorrow at home vs. Hanover Central.

APPLES FOR THE STUDENTS

Educational technology and its funding change daily. To keep up with these changes and their accompanying expenses, our school is participating in our local Strack & Van Til's Apples for the Students Program. The program enables our school to earn computers and Ipads, sporting goods, audio visual equipment, and science supplies, with choices from hundreds of other awards, too! And, they're all free!

To earn these FREE awards, we simply have to collect as many register receipts as possible from September 1, 2024 through March 31, 2025. Ask your friends and relatives to shop at Strack & Van Til Food Market and save every receipt. Send the receipts to school with your students as often as possible. The school will count the value of the register tapes collected and redeem them for great educational awards that benefit your child. Thank you in advance for your participation!

STUDENT EARLY DISMISSAL

Please make sure to send your child in with a note if you need to take them out of school early. Have your child bring the note to the office first thing in the morning, and we will write a pass for them to leave class. Thank you for your continued support.
